CHAMPIONSHIP DIVISIONS

Juniors may start in both Junior and Young Rider Title classes, but not on the same horse – ie different horse & rider combination.
Block entry for all Championship Divisions	No refunds will be given if riders do not start in Round 2 of a Championship Division. The block entry will include the Final class (if the rider qualifies) and also the consolation class (for the appropriate level). Riders may start a horse in a warm up class – normal entry fees will apply. Riders who qualify for a final may not start in the Consolation class instead of that Final.
Changes	Riders who need to move down or up a Championships Division may do so after Round 1 – no extra entry fee will apply, however any points gained in the original Championship Division will NOT carry over. A horse can only compete in one Championship Division.
1.15m Championship Division	is for horses with 16 points or less. If a horse wins or places in the two qualifying rounds to take their points’ total to over 16 – the horse may stay in this Championship Division. This will apply to the 1.25m Championship Division.

DETERMINATION OF CHAMPION

- Points will be allocated on places gained in all three rounds of a Championship Division.
- The Champion will be the rider with the highest number of points over the three rounds.
- Points will be awarded on the number of starters in the first round for the first two rounds: eg if 50 starters, 1st place receives 51 points, 2nd place receives 49 points, 3rd place 38 points etc. whichever type of competition is the 1st round of the Championship Division
- The Art 238 2.2 qualifying round will receive a weighting of 10 points: if 50 starters in the 1st qualifier, 1st place will receive 51 points + 10 = 61 points; 2nd place will receive 49 points + 10 = 59 points etc.
- Points will be awarded on the number of starters in the Final with a weighting of 20 points – ie if 20 starters in final – 1st place will receive 21 points + 20 = 41 points; 2nd place 19 points + 20 = 39 points etc.
- The first two rounds of a Championship Division will be (the order will depend on scheduling) a Table C class over a Table A Course (Art 239) and an Art 238 2.2 – except in the 1.15m Division, Junior and Amateur Divisions, where the one round class will be an Art 238 2.1
- Round 1 of a Championship Division will have a random draw.
- Round 2 of a Championship Division will have the reverse draw to Round 1.
- The final class (called the Final) will be run under Art 273 3.3.1, a competition over two rounds. Penalties from the first and second round are added and the time of the second round will decide placings if there is equality of penalties.
- There will be a seeded draw for the Final.
- The numbers taken into the Final will be from 20 – 30 depending on the number of starters in Round 1 of each Division. Qualified riders unable to start will be replaced.

TIE – TALENT IDENTIFICATION EVENT

these events will be held concurrent to classes in this schedule.

Age of Horses: The qualifying rounds in 2015 will be conducted across the states between January and the second week in September 2015. The event is open to horses whose ages are as per the Australian determination of age i.e. horse's birthday 1st August 2015. Horses can compete past their change of age at 1st August 2015 through until the final championship competitions. E.g. a 6 year old horse which becomes 7 years of age on 1st August 2015 can continue in the 6 year old series qualifiers and final. The 2016 Futures Squad will then comprise 7, 8 and 9 year old horses.

Rice bran is an excellent source of Gamma Oryzanol:

Gamma Oryzanol is a naturally occurring plant compound that primarily serves as a strong anti-oxidant. Research trials also suggest that Gamma Oryzanol promotes muscle mass and definition, and helps to prevent exercise-induced muscle damage. It is also thought to reduce the incidence and severity of gastric ulcers and aids in maintaining appetite in performance horses.
