## CHAMPIONSHIP DIVISIONS

### **Juniors and Young Riders**

may start 2 horses only in Rounds 1 and 2 of each Championship – due to time constraints and short daylight hours. Should space and time permit (at the close of entries) a third horse may be started. Juniors may start in both Junior and Young Rider Title classes, but not on the same horse – ie different horse & rider combination.

### **Block entry for all Championship Divisions**

No refunds will be given if riders do not start in Round 2 of a Championship Division. The block entry will include the Final class (if the rider qualifies) and also the consolation class (for the appropriate level). Riders who qualify for a final may not start in the Consolation class instead of that Final.

### **Changes**

Riders who need to move down or up a Championships Division may do so after Round 1 – no extra entry fee will apply, however any points gained in the original Championship Division will NOT carry over.

A horse can only compete in one Championship Division.

### **1.15m Championship Division**

This is for horses with 16 points or less. If a horse wins or places in the two qualifying rounds to take their points' total to over 16 – the horse may stay in this Championship Division. This will also apply to the 1.25m Championship Division.

## DETERMINATION OF CHAMPION

- 1 Points will be allocated on places gained in all three rounds of a Championship Division.
- 2 The Champion will be the rider with the highest number of points over the three rounds.
- 3 Points will be awarded on the number of starters in the first round for the first two rounds: eg if 50 starters, 1st place receives 51 points, 2nd place receives 49 points, 3rd place 48 points etc.
- 4 The AM5 qualifying round will receive a weighting of 10 points: if 50 starters in the 1st qualifier, 1st place will receive 51 points + 10 = 61 points; 2nd place will receive 49 points + 10 = 59 points etc.
- 5 Points will be awarded on the number of starters in the Final Round with a weighting of 20 points – ie if 20 starters in final – 1st place will receive 21 points + 20 = 41 points; 2nd place 19 points + 20 = 39 points etc.
- 6 The first two rounds of a Championship Division will be (the order will depend on scheduling) a Table C class over a Table A Course (Art 239) and an AM5 (Art 238 2.2) – except in the 1.15m Division, Junior and Amateur Divisions, where the one round class will be an A2 Art 238 2.1
- 7 Rounds 1 & 2 of a Championship Division will have random draws.
- 9 The final class (called the Final Round) will be run under Art 273 3.3.1, a competition over two rounds. Penalties from the first and second round are added and the time of the second round will decide placings if there is equality of penalties.
- 10 There will be a seeded draw for the Final Round, but all riders will start on 0 penalties.
- 11 The numbers taken into the Final Round will be from 20 – 30 depending on the number of starters in Round 1 of each Division. Qualified riders unable to start will be replaced.
