

JNSW CLUB DEVELOPMENT GRANT FY26

How the Club Support Program works

- To be eligible for funding, jumping clubs must be affiliated with Equestrian NSW.
- Clubs must be located in NSW.
- \$20,000 is available for club support grants to a maximum of \$2,000 per individual club, depending on the number of applications.
- Applications must be submitted by no later than 30 June 2026 and can include projects carried out by clubs in the 2025/2026 financial year or projects to be carried out by 31 August 2026. These grants can be retroactive.
- Applications invited must be physical improvements that target the 'long term benefit to members'. This includes, but is not limited to, improvements such as:
 - Arena upgrades / resurfacing
 - Yards and stabling
 - New jumping equipment
 - Shelter/shade for members
- Projects where the club will contribute funds or project costs in kind will be favourably considered. This contribution should be clearly shown on the submitted budget.
- Jumping NSW will consider all submissions that meet the guidelines and make a decision on a case-by-case basis.
