

AMATEUR OF THE YEAR SERIES CLASS APPLICATION

Introduction

Thank you for your interest in hosting a Jumping NSW Amateur of the Year Series class.

To host a class, and to ensure uniformity of the Series across all participating shows, you must be able to fulfil the requirements listed below.

Series Class Requirements

- The Organising Committee must be affiliated with ENSW (Agricultural Shows also fall into this category)
- The Class must be a jump off class, preferably Art. 220.2.1.2 (238 2.2) or Art. 221.4.3(i) (273 3.3.1).
- Outdoors: first round to be minimum height of 1.15m and a maximum of 1.20m. Indoors: first round to be a maximum of 1.10m.
- All references to this class must include '*Jumping NSW Amateur of the Year Series Class*' in your schedule of events, on any online entry system or promotional material. This is very important so riders know which class is the Series class.
- Only one of your Amateur classes can be a series class at your show, preferably the main Amateur class even if this is a final with restricted numbers.
- Event organisers must follow the current National Amateur ruling. Please refer to the EA website.

- When at all possible, the class is to be run on the Saturday or Sunday of your show, not during the week.
- Class to be placed to tenth (10th)
- Results to be sent to showadmin@espromotions.com.au within the week following the competition.
- Judges sheets to be made available if there are any queries/discrepancies.
