

## **JNSW SAFETY SUPPORT GRANT FY2023**

### **Introduction**

Jumping NSW is committed to helping NSW jumping clubs and this year will support clubs through our Club Safety Support Grant Program.

### **How the JNSW Club Safety Support Grant Program will work**

- To be eligible for funding, jumping clubs must be affiliated with Equestrian NSW.
- Clubs must be located in NSW.
- \$25,000 is available for safety support to the value of \$2,000 per individual club.
- Applications must be submitted by 31st July.
- Applications are invited which will target safety in the sport. This may include ensuring equipment meets the updated Equestrian Australia standards (cups, breakaways, appropriate tracking). Funding may also be available for safety equipment that enhances rider safety, such as a defibrillator or spinal board. Funding will be considered on a case by case basis.
- Projects where the club will contribute funds or project costs in kind will be favourably considered. This contribution should be clearly shown on the submitted budget.
- Jumping NSW will consider the submissions and make a decision regarding funding.

### **How to apply for funding for development projects**

- Complete and email the JNSW Club Safety Support Grant application to the Secretary [katrinadukats@bigpond.com](mailto:katrinadukats@bigpond.com) by 31 July 2023.
- Jumping NSW will advise the projects that have been successful in gaining funding by 31 August 2023.

### **Project Delivery**

- Evidence of payment in the form of receipts or a tax invoice indicating payment must be submitted before funds are released.
- Information and images submitted may be used by JNSW in social media, print publications and other media channels. Receipt of funding is an acknowledgment of permission to publish.
