

EXPRESSIONS OF INTEREST

NEW SOUTH WALES JUMPING CHAMPIONSHIPS

The New South Wales Jumping Championships are an event conducted for and on behalf of the Jumping NSW Committee. (JNSW) Organising Committees are invited to submit their expression of interest to conduct the event for 2018 by 27th November, 2017.

The JNSW committee will assess all submissions and will appoint the Organising Committee to run the 2018 State Show Jumping Championships.

The following guidelines have been formulated by the JNSW committee to assist Organising Committees (OC) in the conduct of the New South Wales Jumping Championships. Jumping New South Wales reserves the right to amend these rules at any time.

It is the responsibility of the Organising Committee to make sure all riders competing in the Title events, Ring 1 & 2 are current financial members of Jumping NSW.

The New South Wales Jumping Championships should be an event in its own right, not absorbed into an existing event, and should be conducted over a minimum of three or preferably four consecutive days.

These guidelines must be read in conjunction with all relevant Equestrian Australia Rules and Regulations in force at the time of the New South Wales Jumping Championships.

CHAMPIONSHIP DIVISIONS

The Organising Committee is required to conduct Championships for the following divisions.

- * NSW Senior Jumping Championship.
- * NSW Young Rider Jumping Championship
- * NSW Junior Jumping Championship.
- * NSW Amateur Jumping Championship.

The Championship comprises three Competitions, each taking place on a different day. It is recommended that there be a break of one day between the Second and Third Final competitions.

BRIEF SUMMARY OF CHAMPIONSHIP COMPETITION FORMAT.

COMPETITION ONE:

Table C, over a Table A course. Art. 239 and 263. Maximum height: 1.50 m. No jump-off in case of equal time. (It is not intended that this course should have the character of a Table C "Speed and Handiness", but rather a Table A course with bigger fences. The sole purpose for using Table C scoring is to give a skillful Athlete with an unlucky knockdown an opportunity to obtain a reasonable placing).

COMPETITION TWO:

This second Competition is conducted over one round run under Table A at a speed of 375 m per minute with one jump-off. (JRs Article 238 2.2)

At the discretion of the Course Designer, depending on the size of the arena and the footing conditions, the speed may be reduced to 350 m per minute.

COMPETITION THREE (THE FINAL):

This third Competition is for the 15 (minimum) – 30 (Maximum) best-placed Athletes and Horses. Number taken into the final is the discretion of the OC. It is based according to the cumulative Penalties over the first Competition and first round of the second Competition

If for any reason one or more of these 15 (minimum) – 30 (Maximum) best placed Athletes are unable to start, they will be replaced by participants from the reserve list of five Athletes.

This third Competition is conducted over two rounds (A) and (B) each judged under Table A not against the clock with a time allowed at a speed of 375 m per minute (JRs Art. 238.1.1). At the discretion of the Technical Delegate, depending on the size of the arena, the speed may be reduced to 350 m per minute.

POINTSORE SYSTEM FOR CHAMPIONSHIP TITLES

ALLOCATION OF POINTS AND QUALIFICATION FOR FINAL

First two Competitions

In the first two Competitions points are given to all Athletes having finished the initial round.

Point System

The winner of each Competition gets one point more than the number of starters in the first Competition. The second placed gets two points less than the winner, the third placed three points less than the winner, and so on.

Athletes eliminated or retiring Athletes who have been eliminated or have retired in the initial round of the first two Competitions do not get points.

Equality of points among Athletes Points won by Athletes who are tied are added up and divided equally. Fractions of 0, 5 and more are rounded up; fractions of less than 0, 5 are rounded down.

Transformation of points to penalties

After the second Final Competition, points are transformed into penalties. The Athlete with the highest number of points after two Competitions will have 0 penalties. For all other Athletes, the number of penalties will be calculated by multiplying with the coefficient of 0.50 the difference between their number of points and the points of the leading Athlete after two Competitions.

In this procedure all decimals are rounded down.

NEW SOUTH WALES SPEED CHAMPIONSHIPS

In addition to the New South Wales Jumping Championships organising committees may also conduct competitions for the New South Wales Speed Championships.

The NSW Speed Championships will be conducted on one competition under Table C (239), Speed and Handiness (263)

ELIGIBILITY FOR TITLES

All riders competing in the Title events must be current financial members of Jumping NSW.

Junior Rider: A Rider is considered a Junior Rider from the commencement of the year of their 12th birthday until the end of the year of their 18th birthday.

Young Rider: A rider is considered a Young Rider from the commencement of the year of their 16th birthday until the end of the year of their 21st birthday.
